Application Questions

Romans-Jude

The believers in the early church experienced four main problems.

Read each Scripture passage and match it to the problem it best addresses:

- | | |
|---|-------------------------|
| 1. Believers were trying to “measure up” to God’s law. | A. II Peter 3:3-10 |
| 2. Believers thought they could live however they wanted because they were saved. | B. Romans 3:21-31 |
| 3. Persecution for following Jesus was increasing. | C. Hebrews 12:7-12 |
| 4. Jesus was taking a “long” time to return. | D. I Corinthians 6:9-11 |

Write down which of the four problems would best describe what you struggle with in your relationship with God right now. How could the epistles help you grow in this?

Revelation

Read Revelation 21-22. Write down the phrases or verses that encourage you personally to “hang on” for what is ahead.
