

Questions to Meditate on for Moses Week Three

Use a journal to reflect and respond in more detail to the following questions.

Day One:

Read Exodus 3:18-20. When God told Moses to go to Pharaoh, He gave him the message to speak and the signs to back it up. God told Moses that Pharaoh wouldn't listen right away. Why do you think God didn't explain the whole plan to Moses?

Is there any step of obedience God has prompted you to take even though you don't know the whole plan? Why might God not be showing you the whole plan but only the next step to take?

Day Two:

Read Exodus 6:1-8. What were the six things God said HE would do that only He could accomplish?

Is there any situation or any person in your life that only God can change? What would God say to your situation?

Day Three:

Read Exodus 6:9-12. How did the discouraged response of the Israelites change what God said He would do? How did their response change how Moses felt about his job?

Moses wanted the approval of the Israelite leaders, but even with Aaron as spokesman, their response wasn't positive. Is there anyone whose approval you find yourself looking for? How does looking for approval from others affect what God has called you to do?

Day Four:

List the people in your life for whom you are concerned but have no control over the outcome. What is your role and what is God's role in the situation?
